

Registration Appointments Questions & Answers

How are registration appointment times determined?

Banner has an internal system for setting appointments. It is based upon cumulative hours earned for undergraduate students and does not take into account any credits in-progress.

What are the starting times?

Appointments have been assigned on weekdays from November 9 to November 18 with times starting at

9:00 a.m., 11:00 a.m., 1:00 p.m. and 3:00 p.m. Undergraduate student times are assigned based upon cumulative credits earned in descending order.

Students have been scheduled on the following days. Those with higher credits earned register earlier in the day:

Registration Date Cumulative Hours

November 9 Priority Groups

November 9 Graduate & PHD, Continuing Second Degree, Teacher Licensure

November 10 92+ Undergraduate Credit

November 11 67-91

November 12 47-66

November 13 25-46

November 16 1 -24

November 17 0

November 18 Post-Bacc (UNDG-UND)

November 18 New Second Degree

Will in-progress courses be used to meet class requirements?

Yes, in-progress courses are being used to compute your class standing (i.e. sophomore, junior) for course pre-requisite checking.

Where do I go online to register for classes?

- Log into 49er Express (<http://www.uncc.edu/49erExpress>) with your NinerNET username and password.
- Under Registration & Self Service, click the Banner Self Service option.
- Click Student Services/Student Accounts
- Select Registration to begin registering for classes

If you have questions about your NinerNET account or access to 49er Express, please contact the Student Computing Help Center located in Barnard 109 or call 704.687.6400. Support questions and requests for assistance may also be submitted through Helpdesk Online at <http://helpdesk.uncc.edu>.
