ADVISOR DROP-IN

Three Registrar Drop-In Sessions were offered in November. These sessions were offered to Charlottes' Advising community to provide another opportunity for advisors to ask and explore topics related to the new SSB9 user experience & toolset, or any other Registrar-related topics of interest. If you were unable to attend any of these sessions, no worries. Feel free to check out both the Questions and Answers from the [Registrar Drop-In Sessions](#).

ARTICULATION AGREEMENT AND MOU REPOSITORY

The Office of the Registrar maintains a repository for all [UNC Charlotte Articulation Agreements and Memorandum of Understandings](#). We have collected a large number, but we're sure we don't have them all. We encourage you to review this repository. If you notice that one is missing or not current, please send an email to jreece15@charlotte.edu. We hope you find this resource helpful. Note that some international agreements are maintained in the Office of International Programs.

READMISSION UPDATE

Check out Charlotte's newly redesigned [Readmission Website](#). This freshly updated website provides a unified landing place for all readmission inquiries and applicants with an appealing, user friendly design, pertinent readmission related policy and process details, and a newly updated Readmission FAQ page. We are grateful for our partners in Enrollment Programs & Communications, Niner Central, and OASES for their help in finalizing these revisions.

This refresh comes at an ideal time as UNC's [Project Kitty Hawk](#) partnership with [ReUp Education](#) continues to generate more and more Readmission interest and questions from Charlotte's and the larger UNC System's stop-out populations.

From us to you, we wish you a joyous holiday season!
