Final Grades Submission Guide

- Every registered student should receive a final grade. Final grades will be viewable once they have been rolled to Academic History during the grading period.
- Be sure you enter final grades before the published deadline.
- **IMPORTANT:** A time limit of 30 minutes has been established for grading. If you exceed this time limit, you will be required to login again to the Faculty Self-Service. To avoid exceeding this limit, please submit all grades for students within a section at one time.

• What if the student is registered but has never come to class?
