Final Grades Submission Guide

- Every registered student should receive a final grade. Final grades will be viewable once they have been rolled to Academic History during the grading period.
- Be sure you enter final grades before the published deadline.
- **IMPORTANT:** A time limit of 30 minutes has been established for grading. If you exceed this time limit, you will be required to login again to the Faculty Self-Service. To avoid exceeding this limit, please submit all grades for students within a section at one time.

How to Submit Final Grades (Canvas)

1. Open Canvas (https://canvas.uncc.edu/).

2. Instructor accesses **Canvas to Banner grade submission** via a link from within a Canvas course:
3. Instructor then clicks the **Open in New Tab** button:

4. Instructor then chooses course to submit grades for:

5. Instructor confirms whether or not any student final grades will be changed via the grade submission form. If student final grades will be changed on the form, instructor confirms that changes will not be reflected in the Canvas grade book.
6. Instructors enter grades in a form. The form shows the grade from the Canvas gradebook in the Course Total column, but the instructor can choose a different grade from the drop-down in the Grade to Submit column. To submit grades, the instructor either needs to check the individual check boxes or click the Check all... box at the top of the form and then click the Submit this page button.

7. Any F or U grades will be listed on the next page, and the instructor will either need to check the Never Attended box or enter a date in the Last Attend Date column.
8. As the **Last Attend Date** is a required field, if submitted without entering dates, the empty boxes turn red, and the instructor cannot advance to the next page. If the student never attended, checking the **Never Attended** check box will auto-populate the **Last Attend Date** box with the correct date. A calendar pops up when the instructor clicks within a box in the **Last Attend Date** column. After entering the dates, the instructor clicks **Acknowledge**.
